

Community Based Strategic Plan Notice of Open House

Imagine Caledon We need your ideas

The Town of Caledon is embarking on an exciting project to establish a Community-Based Strategic Plan and Vision. This project will lay the foundation for Caledon's sustainable and vibrant future!

In order to achieve continued economic, social, and environmental success in the Town of Caledon, we are developing a plan that will guide us 10 years into the future - this plan will establish a vision, goals and strategies.

We need your help in developing this plan!

You are invited to a Town Hall meeting to discuss your ideas regarding the future of the Town of Caledon.
We'll discuss:

- What are your hopes and dreams for the future of Caledon?
- What opportunities do you value most about your community?
 - What changes would you most like to see?
 - What actions can we take to make this happen?

Please participate with your friends and neighbours in this important project.
